

ROTARY CONVENTION – DURBAN, SOUTH AFRICA, 2019

Since the founding of our organisation in **1905** a *Rotary International Convention* has **never** been hosted on the African continent. As the Rotarians of Africa, representing 54 countries, we invite you to show your support for the proposed *Rotary International Convention 2019*, and to offer your voice as we strive to bring the convention to **Durban, South Africa**.

Africa is the world's greatest receiver of humanitarian support from Rotarians across the globe, supported by the Rotary Foundation. The convention allows us the opportunity to express our gratitude and extend our hospitality by inviting you to this wonderful convention on African soil.

Situated in the *beautiful coastal city* of **Durban** the venue, accommodation and attractions are without equal in Africa. The convention will provide opportunities to network with African Rotarians, visit and promote projects, enjoy our special brand of fellowship, and experience the spectacular scenery and Safari parks on offer in our beautiful continent.

Please visit our interactive website, www.africacalling.co.za , and submit your details to join our database for ongoing information and offers for **2019**.

Africa is calling...

Warm regards,

Nick Phillips
